Yes, things are hectic. Thanks for checking in with Susan and for touching base. I spoke with R3 and can update you but things are evolving.

Sorry you have to work on Friday but hopefully, it will be short.

We can touch base on Friday if necessary. Feel free to call me on my bb. Until then, take a break, don't think about HF, enjoy your family and safe travels!

Happy Thanksgiving,

Cindy

Working between a rock and a hard place today (HF and Pavillion). Spent most of the day on phone with Ayn working on materials requested by Jose. Also met with Susan several times to make sure she was responding to you and Alice. I am headed to Wichita now (T Day at my mother-in-law's). Have my phone and can touch base if you'd like. Will also be working with R8 on briefing materials on Friday AM, if you want to talk then. You can reach me on my Bb (580.483.6959).
